# V-Stand mobile

Product code V-SM43

Free-standing mobile display

Product specification.

43 inch model.

## **NEXT GENERATION OF COMPACT DIGITAL SIGNAGE DISPLAYS**

AVL V-Stand mobile is a modern and efficient solution designed to replace traditional static signage and outdated display systems. With its sleek form factor and high-quality screen, it delivers clear, vibrant visuals in a reliable, always-on format. Engineered for continuous operation, the display ensures stable performance in commercial and public environments over long periods of use.

## **FLEXIBLE USAGE ACROSS MULTIPLE ENVIRONMENTS**

Mobile 43" display is well-suited for a wide range of applications, including retail advertising, corporate communications, hospitality, and public information systems. Its size offers an excellent balance between visibility and space efficiency, making it ideal for wall-mounted or stand-based installations. Designed for straightforward content delivery, it works perfectly for both dynamic advertising and informational displays.

## **COMPREHENSIVE CONNECTIVITY OPTIONS**

V-Stand mobile features a variety of connection interfaces for video input, control, and integration with external systems. It supports common standards such as HDMI and USB, allowing easy connection to media players, computers, or content management systems. This ensures compatibility with existing infrastructure and flexibility for future expansion.

## **RELIABLE OPERATION AND EASY MANAGEMENT**

Built for simplicity and durability, the display operates as a dependable visual endpoint in any signage network. While it does not include an internal battery or touch functionality, its streamlined design reduces complexity and enhances reliability. Content and device settings can be managed through connected systems, making it easy to maintain and update displays across single or multiple locations.

HARDWARE	
PANEL SIZE	43"
ACTIVE AREA	531 mm (W) × 943 mm (H)
BRIGHTNESS	1800 cd/m <sup>2</sup>
RESOLUTION	Full HD 1080×1920
CONTRAST RATIO	3500:1
PANEL LIFE	60 000 hours
RESPONSIVE TIME	5 ms
VIEWING ANGLE	178° (H) / 178° (V)
SYSTEM	
OPERATING SYSTEM	Android 14
MEMORY	64 GB
RAM	4 GB
